Wanda and Anita are used to being stared at. These two have starred in hundreds of porn movies. They've licked a thousand pussies and sucked twice that many cocks, all while people stood around, watching and playing with themselves. Wanda and Anita are used to being the center of sexual attention—they like it. How many times have they gone to the pool, stripped naked, and ate pussy right there on the lounge chairs?

SHY NOT SHY

Kasey's young, fun, and obsessed with cum. "I love jerking guys off and watching them cum. It's fascinating. I jerk my boyfriend off twice a day. Sometimes he invites his friends over so I can watch them cum too." Kasey explains. "I love how a geyser of juice shoots out of the tip. It's so warm and tasty! I even like the way cum splatters on the ground. I can read the future in those droplets of jizz!" We see your future, Kasey. You might want to pick up some protective goggles. I couldn't bear it anymore.

Getting to see her every day but never getting more than just a kiss or two. She told me she couldn't wait for us to get some time alone this summer. Our freshman year at college ended and summer break finally came. Amber agreed to not rush things and wait until we had some time together. We didn't have to wait long. My parents decided to go see some old college friends in Tulsa.

When I told Amber, she freaked at the news knowing full well what was going to happen. Both of our parents knew that she would be over at our place most of the time. We had been together in high school and now a year into college we are closer. Amber was the homecoming queen at our high school and while we were close, we only dated a little bit towards the end of our senior year.

I drove my folks to the airport and saw them off. They reminded me to be good and I reassured them as best I could. As I was driving home, I stopped by to pick up Amber and we went back to watch some movies on the TV. We went in the house and I put a movie on. Within a minute Amber practically pounced on to me nearly knocking me off the couch. I regrouped and said we should really go to the bedroom instead of messing up the sofa.

We practically ran to my room, removing our clothes on the way there. By the time we reached the bed we were both naked, and even though having seen her naked before, I was once again mesmerized by her beauty. This time though I decided to take over and quickly grabbed her and lay her down on the bed. This surprised her but I

From Prom Queen to Porn Queen

Amber was one of the most popular girls in high school – and crowned Homecoming Queen.

She loved it and even looked the part; a home grown cutie liked by all, cheerleader, the school's fashion princess. Freshman year in college we finally hooked up and started having sex. After college, we went our own ways, and I finally saw her again, in a porn video on the internet! This is how it started!

could also see she liked it. I gave her a quick kiss on the lips, then started kissing down her body, stopping at her nipples to suck them one at a time. I threw in an occasional soft bite which caused her to wince and moan which just encouraged me.

After a few minutes of alternating between her nipples, I continued to kiss down her body until I finally reached her pubes and on to her pussy which was soaking wet by this point. I traced my fingers around her labia, teasing them and her slit, occasionally tipping a finger into it. Wanting to please my lady, I slowly inserted a finger all the way in. It went in pretty easily because by now she was quite wet. I wasted no time thrusting my fingers in and out of her pussy. I continued doing it until she seemed to really get into it, moaning louder and louder.

Then I took more initiative to try pleasure her more, I inserted one more finger, then another. Each time she would moan louder but I felt I wasn't giving her enough. I pulled out my finger and licked it and as it turns out, it didn't taste bad. In fact, it had an interesting taste I couldn't explain.

I leaned closer to her pussy and licked up and down the slit. This sent shivers through up and down her body and she froze for a moment. I'm thinking she must have had a mini orgasm. And so I stuck my tongue as deep into her as far as I could and tasted her insides. I started pushing my tongue in and out and occasionally coming up for air. Going back down, I focused my tongue more on her swollen clit and gave it a bit of sexy tongue-lashing. I could instantly tell that she loved it and it pleased her

immensely. This brought her to an intense orgasm, her legs locked around my head and she screamed my name out loud. Her juices came gushing into my mouth and I took as best I could. I wasn't used to having my face flooded with lady cum. When her orgasm finally passed, she let me go and I lay besides her waiting for her to fully calm down. Minutes later she finally stopped breathing heavily and looked down at me with a satisfied look.

"My turn." she said and began slowly teasing just like I did her, slowly rubbing my cock head. Then, ever so lightly sliding them down the shaft and giggled. She definitely knew how to tease. Now every time my cock slid through her hands, she would stick her tongue out and lick the tip. This caused both pleasure and frustration as I was happy to have her tongue on my cock but wanted it in her mouth and deep down her throat. She finally grabbed me by the base and began to lick and slap her tongue against my balls. The whole time she kept her eyes looking up at me occasionally she would back off and give me a seductive smile. This girl knew how to work a cock! Then she slowly brought her tongue up and licked from the base to the tip sending shivers throughout my body. I had enough off this teasing, I couldn't take it anymore.

She engulfed the head of my cock into her mouth swirling her tongue around the tip. I placed my hand on her head and gently brushed some

hair out of her face as she worked more and more of my cock into her warm moist mouth. Amber ran her tongue all over it while applying just the right amount of suction and stroking what part of it wasn't in yet. I soon felt the entrance of her throat as she kept taking more of my swollen cock. Still being a tease, she would start to slide part of the tip into her throat before pulling back and then doing it again. Oh, yeah, she was good.

I reached down and slid my hand to her chest to feel those amazing boobs she had. This got what I could make out as a smile as she still had my cock in her mouth. Then, Amber, with her free hand grabbed my balls and squeezed slightly giving a nice felling combined with giving me head. She then slid my cock out her mouth and began stroking me as she sucked my balls. She revisits my throbbing cock and wraps her smooth fingers around it and went to work again keeping one hand on my balls and rolling them around in it..

I closed my eyes to enjoy the feel of her firmness around of my cock, then opened them to the sexiest sight ever. My girlfriend was looking straight into my eyes as my cock was slowly being sucked deeper and deeper into her mouth. The feeling was beyond words and when she stared twirling her tongue around it, I knew I wouldn't last too long before I shot.

And I didn't. I couldn't stop myself because I was well past my limit and erupted into her mouth – hard. She sucked and sucked and I could feel her try to swallow everything, but some sipped out the corner of her mouth, which I found to be extremely hot. Finally I finished unloading

into her mouth and she licked up everything. All I could say was 'Damn girl!' She told me she liked the taste of it and wanted more. She was staring at my still hard cock with a grin. I started to get up to get on top of her but she stopped me. She told me she wanted on top and I was only too happy to oblige. "I want to feel your hard cock deep inside me!" she whispered.

And with that, she lowered herself slowly onto me and my cock head went in with ease. She slid up and down on my cock with her hands on my chest for support. This felt so good that I couldn't help but groan out loud. Eventually, she slowed down and sat on my rigid cock so that was all the way inside her amazingly wet pussy. Amber grinded down hard on my cock and then started to move her hips up and down the full length of it, moaning

Amber has become a blow job queen. Obviously, a skill she perfected after we split. While I'm not jealous of her "success," I am getting horny again thinking of her!

louder and louder every time she did.

I couldn't help but start thrusting upwards to meet hers until we worked up a rhythm which we kept to a pace that increased until we were practically bouncing off the bed. It wasn't long before I felt her pussy squeeze my cock and that sent me over the edge and I unleashed a huge load deep inside her. I coated her insides with my cum and she must have been feeling it all because she went wild screaming out.

When we were both done cumming we both just collapsed on the bed and a closed our eyes and both fell asleep. Our adventures continued on the summer break with her mostly sleeping over at my house and we fucked on nearly every surface in the house. We kept at it for the next couple weeks until the folks came home again.

CALLING FOR DICK

I love the feel of a hard cock in my mouth and in my pussy. When I'm super horny, I pick up the phone and call Dick to come and service me. I tell him my best orgasm is when my clit is played with for a long time. If I can get that much pleasure out of my little thing, I can just imagine the pleasure you guys must feel with your big hard dicks.

Kimmy bought her polka-dot top and plaid skirt with a specific audience in mind — her postal carrier. She's had a crush on the mailman for two years, and she's been flashing him her perky tits and trimmed beaver for months now, trying to get his attention. When he shows up at her door today, Kimmy is going to pop out of her top and offer to blow him. Kimmy might be disappointed to find her mailman called in sick, and his replacement is a 300-pound woman with overactive sweat glands. But it probably won't stop Kimmy from seducing her because, she's horny!

PRETTY IN PINK

Call me the ultimate romantic. Call me infatuated with love. Sex is like a song. Like a duet performed by two harmonious lovers in sync with each other's bodies and motions. It starts out slow and slowly builds momentum until the final explosive climax with voices reaching their peak. If the partners are in unison, then the song and the act can be truly beautiful. Now let me suck your fucking cock!

cheap and delicious and that's just the pizza

I got Amie on the phone and asked to call a pizza place while I was driving home. When I got home, I picked a scary movie for us to watch. The pizza delivery guy showed up a few minutes later and I paid him with a pretty generous tip. Amie came downstairs when she heard the doorbell ring and headed to the kitchen to put some slices on plates. I put a DVD in so we could watch Freddie or Jason scare the crap out of people.

She came back out with one plate and a couple beers. Nothing goes better with pizza than Amie and beer. We sat on the couch in front of the big screen we had just bought. It had surround sound and the couches were new so they didn't sag. We had fun talking movie smack with each other and laughing over some stupid stuff going on in the movie. Thinking back, I don't know why this stuff was so scary back then.

Amie was
the best

She loved
pizza and
beer and i
loved her

Amie cuddled closer to me as the movie was ending. Somehow her shirt opened up and slipped down below her shoulders. I moved her until she was half on my thigh. We had gotten a blanket and Amie had pulled her knees up to stay warm. (The middle of January in Cleveland is so cold that it makes times like this totally worth it.) This provided the opportunity I needed to slowly massage her breasts and pinch her nipples. She moaned lightly, but kept jumping every time someone got slashed. I kept one hand on her breasts and the other moved to her crotch.

Then she opened her legs a little to allow me easier access. I just smiled back and turned my attention more fully to her body. She couldn't cum, so I had to keep a balance and stop when she seemed to be getting close. This did not keep her pussy from getting wet or overflowing with liquids.

BLAIR-NTS-10

The movie ended and I grabbed Amie and carried her up the stairs to the bedroom room. Amie kissed me as I put her on the bed and started to pull off my sweat-pants.

I let her do it but she had a little trouble because I was pitching a pretty big tent. She got them off and then struggled with my boxers. It was kind of hard for her, I kept moving her hair and fondling her breasts. She got them off and I stepped out of them and kicked them away. Amie went to work on my cock and I tried to move a little but she just pushed me back down. Then deciding that she was ready, Amie moved into a sixty-nine position with her on top and I got to eat her out again.

The more I licked, the more vibrations she sent down my cock. I stuck two fingers in and gave her a quick orgasm. She kept sucking but her scream was muffled by my cock and I felt my balls beginning to tighten as my cock got bigger. Amie stopped and got off of me. I was disappointed until she turned and sat on my cock. Immediately I was halfway into her when she slowed down and kept going slower the farther in it got. I was finally in balls deep and then she started to bounce up and down on me.

I moved my hips up to meet her and was pounding away until my cock started to swell even more. Amie must have felt it because she was bouncing faster until she fully impaled herself and then I started to cum in that perfect pussy of hers. Despite all the times I came during the weekend, I still shot off a huge load and some began to leak out onto the sheets and me. When I finished and Amie's pussy stopped clenching, she got off and licked the

mixture of our cum off of me. It was so stimulating I didn't even go flaccid and just stayed hard.

Unfortunately, Amie told me that she needed to take a break, so I sucked on her boobs and groped her ass for a while until I fell asleep nuzzling her breasts and still had my hand on her ass. I woke slightly when she pulled the covers over us and just went right back to sleep. That must have been around midnight but I was spent and groggy.

In the morning, I woke up before Amie with my morning woody and my head was still planted between her breasts. Nice and soft, I just moved around on them and kept licking until she woke up. I looked and grinned at her. She smiled back, so I went to work on her. Amie began to moan and reached down a hand to rub her pussy. Amie hadn't stopped the entire time and was close to orgasm. I kissed her and used both hands to massage her boobs. She cried out and shuddered for a little and then looked at me like she didn't want me to leave.

I kissed her and then ran to the shower while she picked out what clothes I would wear to work. I was hard during the entire shower, but knew that if I wanted to drop Amie off at school in time and make it to the appointment, then it must be a quick shower and rushed breakfast once again.

I met Amie at her new job. It was where I worked. Our boss was a family friend and was probably a little more lenient with us than with the others. He gave her a uniform and then walked her

through what her position did. I had to help Amie carry boxes and stock the shelves so she knew where things were and how they were arranged. She helped organize them and I helped her. We would be seeing a lot of each other there, but we knew we had to be extra careful.

Amie and I zipped through our work and it was very systematically done, and every couple of hours we had a fifteen minute break to do what we wanted. The next break I went into the back room and took a power nap on the stock boxes and fortunately woke up just before the next shift started. We all worked hard for the next couple hours and during the second break, Amie and I found another, less used stockroom and she went down on me right there in the store.

I must admit that it was very weird. This owner was super nice and did not question what we did in the back room when he saw us both come out. That was okay because I had not that much intention of fucking Amie in the back room, but it did occur to me a

few times. There were other times when I had a lump in my pants when she brushed against me, so I gave her a quick pinch and she wiggled her ass to tease me even more.

When the day was over, Amie got to the car first and jumped around trying to keep warm. I opened the car door and found the leather seats freezing cold, Amie had a short skirt on so her legs had to endure until the car got heated. I just kept it running for a little in the parking lot. We passed the time with some small talk, but that wasn't as filling as what I wanted. I really wanted Amie to fuck me in this car and just to get the tension that had been built up at work. She looked at me and read my mind. She did a slow strip and was soon naked. The car was still a little cold so her nipples grew hard and I just had to touch them. She moaned and opened my pants.

I stood up a little and those came off with now only my boxers on and they were hurting my cock by keeping it in its confines. Amie pulled them off and immediately gave me one of the best blow jobs ever. It was awesome. I loved how her tongue never left my cock and she started to deep throat me. I was already really horny, so I didn't last that long and exploded into her mouth. She started to gag and some cum started leaking from the corner of her mouth, but she kept swallowing and when I finished she licked my cock up and down to finish me off.

Then we moved to the backseat and that just made it a little better. We positioned ourselves with me sitting and she sat on top of me facing front. That way I could play with her boobs and nipples while we did it. She could also keep an eye out for anyone com-

ing towards the car. I started to pump her and worked up to a good pace that kept me from coming too soon but still gave her several small orgasms. When ever she had one, I pulled out to the tip of the head and rubbed her clit with my thumb and then added a finger or two. It was awesome when I finally came deep into her as I shoved it in as far as it would go. That's when she started to have her fourth or fifth orgasm in the car. I was in balls deep and was trapped there by the vice grip I had come to expect from her pussy.

I started to come near the end of her orgasm, and she just flowed right into another one. This last one milked my cock until it finally deflated and we slipped back to the front seats. Amie was panting hard and reached down to her pussy and swirled her finger in the mix of juices. She sucked them and then took my hand and did the same thing. I began to raise another woody

but we noticed that the manager was locking up so we needed to get out of here before he saw my car and found us both naked.

On the way home, we stopped at a fast food drive-thru and I talked Amie into giving our order in her sexy voice where I knew a bunch of guys work. Then she put her head in my lap and covered herself with a blanket I keep in the back seat. I pulled the blanket up to her neck so that her head was exposed. I drove up to the window with my shirt off and there were four guys there, and all of them started to crack up

and pound the guy on the back. I took the meal and then drove as Amie sat up and got naked again in the front seat. As I drove, we began to munch on the fries. I was starving.

When we got to our house, Amie decided to climb on my back and she made sure to rub her chest all over my back. Her feet were rubbing my crotch and before I even got to the door, my bulge was really evident. Our food forgotten, Amie stripped my clothes off as fast as she could and I was naked, too. It was quite wonderful, just playing around before sex. Her breasts received a lot of attention as did her ass.

My cock was built up to the point of orgasm, but having cum twice in the day I was able to contain myself and kept from cumming until she started to rub her boobs on my cock. She kept rubbing my cock, licking the head until I finally came in one huge orgasm onto her face. Amie licked herself up and then went to finish her fries.

A woman with dark hair in a ponytail, wearing a pink sleeveless top and a pink skirt over white underwear, is posing outdoors. She is smiling and looking back over her shoulder. The background is dark and out of focus.

I'm blessed. I have a great butt. I use it to get my way. Of course my cock-sucking and fucking skills don't hurt either. But it's my butt that commands attention and I love it. I was a bit embarrassed by it. In college, I think the guys appreciated it. It's been that way ever since.
